Rabintex Industries Ltd.

Rabintex Industries Ltd. designs, manufactures and distributes innovative ballistic and blast protection equipment, as well as comprehensive engineering solutions for mobility and modification of tactical combat vehicles.

Rabintex is one of the world's leading helmet producers and the sole or leading supplier of helmets to many defense forces around the world. Based on close relationships and feedback from operational fighting and law enforcement units around the globe, Rabintex helmets are developed to meet the actual needs of the users. Rabintex Ballistic Helmet (RBH) product line includes all the well known designs: PASGT, MICH as well as the ATTACK helmets - the world's lightest helmets with protection level IIIA.

The company was founded in 1950, and is as of 1991 a public company traded on the Tel Aviv Stock Exchange (TASE: RABN). Headquartered in Herzelia, Israel, Rabintex has additional cutting edge manufacturing and R&D facilities both in the US and in Israel. Rabintex employs over 400 employees and is an approved supplier to leading defense and law enforcement forces in over 60 countries across the globe.
