

Rabintex Ballistic Visor

- The Ballistic Visor is a one size visor with a matching helmet band.
- The visor ensures high ballistic protection - level IIIA according to the NIJ Standard 0108.01.
- Composite material: Acrylic (PMMA) and Polycarbonate.
- Visor weight: 1,4 kg.
- Thickness: 24 ± 1mm.
- Rabintex offers a five (5) years' warranty for the visor's ballistic performance.

Rabintex Anti-Riot Visor

- The 5mm visor is a one size visor with a fastening helmet band that fits most ballistic helmet shapes and sizes. The visor is designed for protection from mechanical impact, fragmentation and riot control hazards.
- Easy adjustable mechanism.
- The visor is equipped with a rubber gasket that prevents liquids from leaking into the visor during riot operation.
- Composite material: Transparent polycarbonate.
- Weight - total helmet band and visor: 850 g.
- Coverage area is approximately 750 cm².
- Rabintex offers a one (1) year warranty for the visor's fragmentation performance.

Optional: Latch-on Mechanism

Rabintex helmets can be combined with visors that are latched on to the helmet as an alternative to the helmet band.

Rabintex Industries Ltd.

Rabintex Industries Ltd. designs, manufactures and distributes innovative ballistic and blast protection equipment, as well as comprehensive engineering solutions for mobility and modification of tactical combat vehicles.

Rabintex is one of the world's leading helmet producers and the sole or leading supplier of helmets to many defense forces around the world. Based on close relationships and feedback from operational fighting and law enforcement units around the globe, Rabintex helmets are developed to meet the actual needs of the users. Rabintex Ballistic Helmet (RBH) product line includes all the well known designs: PASGT, MICH as well as the ATTACK helmets - the world's lightest helmets with protection level IIIA.

The company was founded in 1950, and is as of 1991 a public company traded on the Tel Aviv Stock Exchange (TASE: RABN). Headquartered in Herzelia, Israel, Rabintex has additional cutting edge manufacturing and R&D facilities both in the US and in Israel. Rabintex employs over 400 employees and is an approved supplier to leading defense and law enforcement forces in over 60 countries across the globe.
